

Like to write music, or always wanted to try? Here's your chance!

On the staff below, create your own melody. The melodies will be combined into a song to be premiered at our Spring Concert. You'll also get credit as one of the composers!

How cool is that?!?

Directions:

1. Pick any rhythms from Chart 1-10.75. (You can pick and choose from any of the measures from those charts.)
2. You can use any notes found in your music from our holiday concert.
3. Write it, play it, and edit it until you are happy with it.

DEADLINE
NOVEMBER 22
